### **Minerva ČR, long-standing partner of QAD Inc., a U.S.-based of software solutions for manufacturing companies, extends its distribution agreement**

Prague, February 10, 2011

*Minerva ČR has been a stable supplier of enterprise applications for manufacturing companies and a business partner of the American software vendor QAD since 1992. With offices in Slovakia, Minerva ČR is the sole supplier of QAD enterprise applications and solutions for manufacturing and distribution companies in the Czech Republic and Slovakia.*

Minerva ČR reaffirmed its stability and continued success by renewing its distribution agreement with QAD Inc. In addition to the Czech Republic and Slovakia, the agreement also grants Minerva ČR territorial distribution rights to Ukraine and Russia. For nearly 20 years Minerva ČR has provided solutions to manufacturing companies ranging from small local companies up to larger multinational manufacturers. Minerva's clients include United Bakeries, Hamé, Madeta, Hollandia, St. Nicolaus, Teva Pharmaceuticals, Severochema, Medin, SpofaDental, Colorlak, Jitona, Lind Mobler Slovakia, KORADO, Solodoor, Sporten, metal design, FEI, Laird Technologies, Tesla Liptovský Hrádok, TSE, Tona, Johnson Controls, Magna Cartech, Magna Slovteca, Fuji Koyo Czech, Aisan Industry Czech, Senior Automotive, TES, První brněnská strojírna, Unex, Sklostroj, VOP 026, Omnia KLF and more than 150 others.

Jean Claude Walravens, Senior Vice President of QAD for EMEA, commended the activities of Minerva ČR in the EMEA territory: "Minerva ČR has been an outstanding partner of QAD since the beginning of the 1990s, and the company has been recognized several times for fast implementations and as distributor of the year. Minerva shares the QAD vision for manufacturing companies in the Czech Republic and Slovakia and makes great efforts to ensure high-quality implementations of enterprise solutions for medium and large manufacturers. In nearly 20 years the company has expanded its customer base to include more than 150 companies in the automotive and high technology sectors, industrial manufacturing, life sciences, food and beverage producers and consumer goods manufacturers in CEE (Central & Eastern Europe). The company remains the sole strategic partner for QAD in the Czech Republic and Slovakia, a partnership that will continue to advance the use of technology and applications developed by QAD."

**MINERVA is the exclusive provider of QAD Enterprise Applications in the Czech Republic and Slovakia and serves as a QAD distributor in Eastern Europe.**

With a sharp customer focus, Minerva is an organization that helps production and distribution companies improve their overall company management with greater efficiency, control, and productivity through the implementation of information systems.

Minerva is capable of offering customers all services, from the installation of software and consulting to system integration and world-class e-business solutions. Years of experience on the market of enterprise resource planning (ERP) and more than 150 companies using QAD Enterprise Applications in the Czech Republic, Slovakia, Hungaria, Russia, Lithuania, Ukraine and elsewhere confirm that customer satisfaction is a commitment Minerva takes seriously.
