**Minerva organizes "User Conference 2008" in June. For Minerva customers this is an annual opportunity to obtain information on new products and versions and to become acquainted with projects implemented for other customers.**

Prague, 27 May 2008

The User Conference is planned for the Medlov Hotel near Nové Město na Moravě from 19 to 20 June 2008. The main conference day is reserved for presentations of new Minerva products, versions, services and activities. The afternoon is set aside for customer presentations, which give customers an opportunity to share experience from projects implemented in individual companies. The afternoon programme is aimed at sports and relaxation, with a wide range of opportunities in the pleasant surroundings of the hotel. The day will be concluded with a celebratory evening buffet. The second conference day will be used to present and discuss products in which our customers are interested, with a view to expanding their company solution. Minerva conferences have become a regular meeting place for customers from the Czech Republic, Slovakia, Ukraine, Lithuania and Russia.

**MINERVA is the exclusive provider of QAD Enterprise Applications in the Czech Republic and Slovakia and serves as a QAD distributor in Eastern Europe.**

With a sharp customer focus, Minerva is an organization that helps production and distribution companies improve their overall company management with greater efficiency, control, and productivity through the implementation of information systems.

Minerva is capable of offering customers all services, from the installation of software and consulting to system integration and world-class e-business solutions. Years of experience on the market of enterprise resource planning (ERP) and more than 100 companies using QAD Enterprise Applications (previously MFG/PRO) in the Czech Republic, Slovakia, Russia, Lithuania, Ukraine and elsewhere confirm that customer satisfaction is a commitment Minerva takes seriously.
